DISCONNECTION POLICY

Communication problems over the internet may cause disconnections.
The software is designed to protect the player from unjustifiable loss, while eliminating the possibility of intentional disconnection and system abuse.

Refer to each section below for specific disconnection policies.

INDIAN CASH CATCHER DISCONNECTION POLICY

- Should disconnection occur before starting a new game, no funds will be removed from the player's account.
- Should disconnection occur after the bet was placed and the Spin button pressed:
  - If no further action is required to complete the game, result will be determined by the server.
    The game will not display the result.
    The result can be viewed in the player's detailed game history once the result has been determined.
    The Gamble option (if enabled) will not be available for this game.
  - If you are required to take further action to complete the game, the game will not display the result until you re-open the game.
    The game will resume at the last point as determined by the server.
    After 60 days, if not completed, the game will be closed and any further winnings will be forfeited.

GAMBLE GAME

- Indian Cash Catcher offers no Gamble game.
